1. ILMS Software system and Book Barcode Scanner

The institute has its central library and each of the departments has its own department library to facilitate the study materials to both students and faculty members adequately. The central library is automated with Integrated Library Management Software – **Softlib**. The software is to manage the activities of the library through a computerized system. The Softlib Management Software facilitates various functions such as to add new books with all sorts of information, transaction of books to students and faculty members, searching of books from the list etc.

Library Information Management software helps to keep track on usage of the library by the students and faculties. The detailed description about the books in the College Library is also available for the staffs and students. The best thing about this computerized system is hassle free record keeping of the books. There are separate modules which track all the Library activities starting from Book record keeping, Book issue date to both student and employee. Open Public Access Catalogue link has been provided for searching books and other resources available in the library.

The Informed Brain in a Digital World
- National Academies Press , 2013

There has always been access to more information than humans can handle, but the difference now lies in the ubiquity of the Internet, and the incredible speed with which anyone with a computer participates in seemingly infinite information exchange.

Sub: DELNET Membership Renewal

Dear Mr. Rout,

We acknowledge with thanks the receipt of ₹ 13,570 (₹ Thirteen Thousand Five Hundred Seventy only) received through NEFT dated 14.12.2023 made towards the DELNET Annual Institutional Membership Fee for the period 20.12.2023 to 19.12.2024. The receipt no. 77588 dated 18.12.2023 is enclosed for the office records.

You are requested to access DELNET databases through the World Wide Web using the following procedure:

Web Address: <http://www.delnet.in>

Kindly click onto "New Discovery Portal". Since the IP address provided by you is registered with us, you should be able to open the landing page without login prompt. Please let us know if you encounter any difficulty.

We are also glad to provide the following login & password for accessing DELNET remote:

Login : oreatm
Password : eatm5488

Kindly note your Inter Library Loan (ILL for Books) Password is "oreatmlib" to be used while registering a request. You are also welcome to send us the bibliographical references at sangs@delnet.ren.nic.in, sangskaul2003@yahoo.co.in for the resources needed by you. We will try our best to locate these resources. We would like to inform you that DELNET has launched WEBVIEW Youtube channel which contains a large number of video recordings of Webinars organised by DELNET including sessions on DELNET resources and services. The link is available at the Discovery Portal. We would further like to inform you that Usage Report can be generated through "USAGE STATISTICS" link which appears at the top side of the landing page of the discovery portal. Kindly use the password as 5488***1992 to download the pdf, containing usage report of your institution.

I would like to mention that DELNET provides access to more than 3.8 crore catalogue records of books, journals, articles, etc through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through Knowledge Gainer Portal. We are pleased to inform you that DELNET has also recently launched ViSiOn Portal which contains Video Recordings of Lectures on varied subjects. We request you to kindly contribute the video lectures of the Faculty Members of your Institution. Kindly contact us for further assistance. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis. Also, we are pleased to inform you that DELNET has developed DELDReSS Portal exclusively for Schools, which is of great relevance to the School students, teachers and administrators.

We would also like to mention that DELNET offers DrillBit software for plagiarism detection for an annual subscription of Rs 48,000 (inclusive of GST) for 300 documents checking.

I would also like to inform you that DELNET shall be glad to organise a one hour webinar on DELNET Networked Resources and Services at a mutually convenient date and time for the students, faculty, researchers and scholars of "Einstein Academy of Technology & Management, Dist. Khurda, Odisha". It will help in the effective utilisation of DELNET resources and services.

I am enclosing a poster on DELNET and a Certificate of Membership. Please kindly let us know if you wish to get any books on ILL or the journal articles.

With kind regards,

Yours sincerely,

Sangeeta Kaul
