Report on SOFTSKILL PROGRAM for 3rd Year and 4th Year students

Name of the Program	7Cs of Communication
Name of the Expert	Deepak Ranjan Satapathy
No of Days	8 Days
Date	05-02-2023
Venue	Language Lab
No of Students Attended	125
Objective of Program	<p>In order to enhance the efficacy of our students, we impart extra Language and Communication Skills classes in the state-of-the-art Communicative English Lab. The lab is equipped with Globa rena Language Software. For the 1st year students, we imparted 7Cs of Communication.</p> <p>Modules like Communication Skills, Soft Skills, Aptitude, Pre- Placement and Corporate Readiness etc. The training on language and communication skills is imparted by our In house faculty by taking a group of forty students. The students explore different modules and learn the theoretical aspects and practice the lessons individually and in groups. Exercises on Phonetics and Sounds of English and articulation with proper pronunciations are the main focus area. We lay more emphasis on the practical implementations so that students become more confident. These classes are conducted beyond the regular class hours.</p>
Outcome of Program	Students learn and practice the modules

	<p>by themselves but to help them learn effectively and with more confidence, one faculty trainer is entrusted to keep a vigil on the students, who helps them learn it with ease and confidence. A periodic test is taken by the neutral faculty to evaluate the performance of the students. Students are given feedback on their performances and suggestive measures are spelt out to improve upon their grey areas.</p>
<p>Program Description</p>	<p>In this program total 125 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on Yoga and Meditation for All students

Name of the Program	Yoga and Meditation
Name of the Expert	Debashis Nayak
No of Days	3 Days
Date	21,22 & 23 June,2022
Venue	Lawn
No of Students Attended	212
Objective of Program	<p>For a completely healthy body function, both yoga and meditation are of great importance, practicing yoga can improve physical as well as mental health of an individual whereas meditation provides peace of mind and control over the body. All of these activities have been shown to help increase the body's relaxation response and to reduce the production of adrenaline that leads to anxiety. Through meditation and yoga, we tend to control adrenaline level as well as the stressors that cause it and can contribute directly to anxiety, nervousness and the distracting mental chatter that can build up when we are stressed out. We, at EATM provide regular classes for yoga and meditation. Yoga experts and comes from renowned Patanjali Yoga Samiti come to our college to impart the significance of leading a peaceful and healthy life. Every year our college also celebrates the International Yoga Day that falls on 21 June.</p>
Outcome of Program	It control the following things 1.Balanced blood pressure

	<p>2. Decreased absenteeism and Tardiness</p> <p>3. Improved interpersonal relationship</p> <p>4. Improves mental strength</p> <p>5. Moral ethics are increased</p>
Program Description	<p>In this program total 212 no of students have enrolled their names. The program has been organized for three days. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on ICT/COMPUTING SKILLS for 1ST YEAR

Name of the Program	MS-Office
Name of the Experts	Prof.Laxmidhar Panda, Prof Sasmita Pradhan
No of Days	8 Days
Date	17-01-2023
Venue	Computer Lab, EATM
No of Students Attended	218
Objective of Program	In this age of computers, one has to be a expert in computer. In order to enhance the basic computer skills of our students, we imparted the MS office Training to the students of B. Tech 1 st year.
Outcome of Program	Students learned how to use the computer effectively and create file and folders. They also learned how to work in MS Word and Excel. In order to be successful professional, basic knowledge on MS- Office is highly essential. The students got hands on experience by attending the lab sessions which gave them adequate time to practice whatever was theoretically taught in the classes.
Program Description	In this program total 218 no of students have enrolled their names. All the students are been divided into four groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.

Report on Android app design for 3rd Year students

Name of the Program	Android app design
Name of the Expert	Prof P.K.Jena & Prof.Riyazudin Khan
No of Days	8 Days
Date	16-01-2023
Venue	Computer Lab
No of Students Attended	120
Objective of Program	Majority of the hand-held devices runs on the Android Operating System. Android operating system is open-size and customizable. Android Application development program aims at providing technical training on the concepts and programming methodologies used to develop various Android Applications. By participating in this program, students will learn to develop applications in the latest operating systems with practical implementation and begin managing your own applications like a professional at this workshop. This program will allow students to grasp the concepts of the complete mobile application development.
Outcome of Program	Some of the Outcomes which is been achieved by the students at the end of this program are: <ul style="list-style-type: none">• Exposure to Android Application Development• Interactive Hands-on Lecture Sessions• Installing and configuring Android application development

	<p>tools.</p> <ul style="list-style-type: none"> • Design and develop user Interfaces for the Android platform. • Applying Java programming concepts to Android application development. • Good multimedia content to help students grasp the material easily
<p>Program Description</p>	<p>In this program total 120 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on SOFTSKILL PROGRAM for 3rd Year and 4th Year students

Name of the Program	7Cs of Communication
Name of the Expert	Deepak Ranjan Satapathy
No of Days	8 Days
Date	05-02-2022
Venue	Language Lab
No of Students Attended	108
Objective of Program	<p>In order to enhance the efficacy of our students, we impart extra Language and Communication Skills classes in the state-of-the-art Communicative English Lab. The lab is equipped with Globa rena Language Software. For the 1st year students, we imparted 7Cs of Communication.</p> <p>Modules like Communication Skills, Soft Skills, Aptitude, Pre- Placement and Corporate Readiness etc. The training on language and communication skills is imparted by our In house faculty by taking a group of forty students. The students explore different modules and learn the theoretical aspects and practice the lessons individually and in groups. Exercises on Phonetics and Sounds of English and articulation with proper pronunciations are the main focus area. We lay more emphasis on the practical implementations so that students become more confident. These classes are conducted beyond the regular class hours.</p>
Outcome of Program	Students learn and practice the modules

	<p>by themselves but to help them learn effectively and with more confidence, one faculty trainer is entrusted to keep a vigil on the students, who helps them learn it with ease and confidence. A periodic test is taken by the neutral faculty to evaluate the performance of the students. Students are given feedback on their performances and suggestive measures are spelt out to improve upon their grey areas.</p>
<p>Program Description</p>	<p>In this program total 108 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on Yoga and Meditation for All students

Name of the Program	Yoga and Meditation
Name of the Expert	Debashis Nayak
No of Days	3 Days
Date	21,22 & 23 June,2022
Venue	Lawn
No of Students Attended	255
Objective of Program	For a completely healthy body function, both yoga and meditation are of great importance, practicing yoga can improve physical as well as mental health of an individual whereas meditation provides peace of mind and control over the body. All of these activities have been shown to help increase the body's relaxation response and to reduce the production of adrenaline that leads to anxiety. Through meditation and yoga, we tend to control adrenaline level as well as the stressors that cause it and can contribute directly to anxiety, nervousness and the distracting mental chatter that can build up when we are stressed out. We, at EATM provide regular classes for yoga and meditation. Yoga experts and comes from renowned Patanjali Yoga Samiti come to our college to impart the significance of leading a peaceful and healthy life. Every year our college also celebrates the International Yoga Day that falls on 21June.
Outcome of Program	It control the following things 1.Balanced blood pressure

	<p>2. Decreased absenteeism and Tardiness 3. Improved interpersonal relationship 4. Improves mental strength 5. Moral ethics are increased</p>
Program Description	<p>In this program total 255 no of students have enrolled their names. The program has been organized for three days. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on ICT/COMPUTING SKILLS for 1ST YEAR

Name of the Program	MS-Office
Name of the Experts	Prof.Nilamani Samal,Prof Rekhanjali Sahoo
No of Days	8 Days
Date	17-01-2022
Venue	Computer Lab, EATM
No of Students Attended	202
Objective of Program	In this age of computers, one has to be a expert in computer. In order to enhance the basic computer skills of our students, we imparted the MS office Training to the students of B. Tech 1 ST year.
Outcome of Program	Students learned how to use the computer effectively and create file and folders. They also learned how to work in MS Word and Excel. In order to be successful professional, basic knowledge on MS- Office is highly essential. The students got hands on experience by attending the lab sessions which gave them adequate time to practice whatever was theoretically taught in the classes.
Program Description	In this program total 202 no of students have enrolled their names. All the students are been divided into four groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.

Report on Android app design for 3rd Year students

Name of the Program	Android app design
Name of the Expert	Prof P.K.Jena & Prof.Riyazudin Khan
No of Days	8 Days
Date	16-01-2022
Venue	Computer Lab
No of Students Attended	132
Objective of Program	Majority of the hand-held devices runs on the Android Operating System. Android operating system is open-size and customizable. Android Application development program aims at providing technical training on the concepts and programming methodologies used to develop various Android Applications. By participating in this program, students will learn to develop applications in the latest operating systems with practical implementation and begin managing your own applications like a professional at this workshop. This program will allow students to grasp the concepts of the complete mobile application development.
Outcome of Program	Some of the Outcomes which is been achieved by the students at the end of this program are: <ul style="list-style-type: none">• Exposure to Android Application Development• Interactive Hands-on Lecture Sessions• Installing and configuring Android application development

	<p>tools.</p> <ul style="list-style-type: none"> • Design and develop user Interfaces for the Android platform. • Applying Java programming concepts to Android application development. • Good multimedia content to help students grasp the material easily
<p>Program Description</p>	<p>In this program total 132 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on SOFTSKILL PROGRAM for 3rd Year and 4th Year students

Name of the Program	7Cs of Communication
Name of the Expert	Deepak Ranjan Satapathy
No of Days	8 Days
Date	10-02-2021
Venue	Online Mode
No of Students Attended	113
Objective of Program	<p>In order to enhance the efficacy of our students, we impart extra Language and Communication Skills classes in the state-of-the-art Communicative English Lab. The lab is equipped with Global Language Software. For the 1st year students, we imparted 7Cs of Communication. But due to corona pandemic situation the classes are been conducted in online mode.</p> <p>Modules like Communication Skills, Soft Skills, Aptitude, Pre- Placement and Corporate Readiness etc. The training on language and communication skills is imparted by our In house faculty by taking a group of forty students. The students explore different modules and learn the theoretical aspects and practice the lessons individually and in groups. Exercises on Phonetics and Sounds of English and articulation with proper pronunciations are the main focus area. We lay more emphasis on the practical implementations so that students become more confident. These classes are conducted beyond the regular class</p>

<p>Outcome of Program</p>	<p>hours.</p> <p>Students learn and practice the modules by themselves but to help them learn effectively and with more confidence, one faculty trainer is entrusted to keep a vigil on the students, who helps them learn it with ease and confidence. A periodic test is taken by the neutral faculty to evaluate the performance of the students. Students are given feedback on their performances and suggestive measures are spelt out to improve upon their grey areas.</p>
<p>Program Description</p>	<p>In this program total 113 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on Yoga and Meditation for All students

Name of the Program	Yoga and Meditation
Name of the Expert	Debashis Nayak
No of Days	3 Days
Date	14,15 & 16 Sept,2020
Venue	Online
No of Students Attended	265
Objective of Program	For a completely healthy body function, both yoga and meditation are of great importance, practicing yoga can improve physical as well as mental health of an individual whereas meditation provides peace of mind and control over the body. All of these activities have been shown to help increase the body's relaxation response and to reduce the production of adrenaline that leads to anxiety. Through meditation and yoga, we tend to control adrenaline level as well as the stressors that cause it and can contribute directly to anxiety, nervousness and the distracting mental chatter that can build up when we are stressed out. We, at EATM provide regular classes for yoga and meditation. Yoga experts and comes from renowned Patanjali Yoga Samiti come to our college to impart the significance of leading a peaceful and healthy life. Every year our college also celebrates the International Yoga Day that falls on 21June.
Outcome of Program	It control the following things 1.Balanced blood pressure

	<p>2. Decreased absenteeism and Tardiness 3. Improved interpersonal relationship 4. Improves mental strength 5. Moral ethics are increased</p>
Program Description	<p>This year due to COVID-19 pandemic situation this program was conducted in online mode. In this program total 265 no of students have participated. The program has been organized for three days in online mode. Each day two hours online session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day principal sir has congratulated the resource person, students and coordinator for successful completion of the program.</p>

Report on ICT/COMPUTING SKILLS for 1ST YEAR

Name of the Program	MS-Office
Name of the Experts	Prof.Nilamani Samal,Prof Rekhanjali Sahoo
No of Days	8 Days
Date	13-01-2021
Venue	Online Mode
No of Students Attended	213
Objective of Program	In this age of computers, one has to be a expert in computer. In order to enhance the basic computer skills of our students, we imparted the MS office Training to the students of B. Tech 1 st year.
Outcome of Program	Students learned how to use the computer effectively and create file and folders. They also learned how to work in MS Word and Excel. In order to be successful professional, basic knowledge on MS- Office is highly essential. Due to the preveling pandemic situation the program was carried out in online mode.
Program Description	Total 213 no of students have attended this program. All the students are been divided into four groups. Each day two hours online session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day principal sir has congratulated all the students, coordinators and resource person for successful completion of the program.

Report on Android app design for 3rd Year students

Name of the Program	Android app design
Name of the Expert	Prof Debashis Pradhan, Prof. Riyazudin Khan
No of Days	8 Days
Date	12-01-2021
Venue	Online Mode
No of Students Attended	131
Objective of Program	Majority of the hand-held devices runs on the Android Operating System. Android operating system is open-source and customizable. Android Application development program aims at providing technical training on the concepts and programming methodologies used to develop various Android Applications. By participating in this program, students will learn to develop applications in the latest operating systems with practical implementation and begin managing your own applications like a professional at this workshop. This program will allow students to grasp the concepts of the complete mobile application development.
Outcome of Program	Some of the Outcomes which is been achieved by the students at the end of this program are: <ul style="list-style-type: none">• Exposure to Android Application Development• Interactive Hands-on Lecture Sessions• Installing and configuring Android application development tools.

	<ul style="list-style-type: none"> • Design and develop user Interfaces for the Android platform. • Applying Java programming concepts to Android application development. • Good multimedia content to help students grasp the material easily
<p>Program Description</p>	<p>In this program total 141 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on SOFTSKILL PROGRAM for 3rd Year and 4th Year students

Name of the Program	7Cs of Communication
Name of the Expert	Deepak Ranjan Satapathy
No of Days	8 Days
Date	07-02-2020
Venue	Language Lab
No of Students Attended	130
Objective of Program	<p>In order to enhance the efficacy of our students, we impart extra Language and Communication Skills classes in the state-of-the-art Communicative English Lab. The lab is equipped with Globa rena Language Software. For the 1st year students, we imparted 7Cs of Communication.</p> <p>Modules like Communication Skills, Soft Skills, Aptitude, Pre- Placement and Corporate Readiness etc. The training on language and communication skills is imparted by our In house faculty by taking a group of forty students. The students explore different modules and learn the theoretical aspects and practice the lessons individually and in groups. Exercises on Phonetics and Sounds of English and articulation with proper pronunciations are the main focus area. We lay more emphasis on the practical implementations so that students become more confident. These classes are conducted beyond the regular class hours.</p>
Outcome of Program	Students learn and practice the modules by themselves but to help them learn effectively and with more confidence,

	<p>one faculty trainer is entrusted to keep a vigil on the students, who helps them learn it with ease and confidence. A periodic test is taken by the neutral faculty to evaluate the performance of the students. Students are given feedback on their performances and suggestive measures are spelt out to improve upon their grey areas.</p>
Program Description	<p>In this program total 130 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on Yoga and Meditation for All students

Name of the Program	Yoga and Meditation
Name of the Expert	Debashis Nayak
No of Days	3 Days
Date	21,22 & 23 August,2019
Venue	Kalam Hall
No of Students Attended	265
Objective of Program	<p>For a completely healthy body function, both yoga and meditation are of great importance, practicing yoga can improve physical as well as mental health of an individual whereas meditation provides peace of mind and control over the body. All of these activities have been shown to help increase the body's relaxation response and to reduce the production of adrenaline that leads to anxiety. Through meditation and yoga, we tend to control adrenaline level as well as the stressors that cause it and can contribute directly to anxiety, nervousness and the distracting mental chatter that can build up when we are stressed out. We, at EATM provide regular classes for yoga and meditation. Yoga experts and comes from renowned Patanjali Yoga Samiti come to our college to impart the significance of leading a peaceful and healthy life. Every year our college also celebrates the International Yoga Day that falls on 21June.</p>
Outcome of Program	<p>It control the following things</p> <ol style="list-style-type: none">1.Balanced blood pressure2.Decreased absenteeism and Tardiness3.Improved interpersonal relationship

	<p>4.Improves mental strength 5.Moral ethics are increased</p>
<p>Program Description</p>	<p>In this program total 265 no of students have enrolled their names. The program has been organized for three days. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on ICT/COMPUTING SKILLS for 1ST YEAR

Name of the Program	MS-Office
Name of the Experts	Prof.Nilamani Samal,Prof Rekhanjali Sahoo
No of Days	8 Days
Date	16-01-2020
Venue	Computer Lab, EATM
No of Students Attended	218
Objective of Program	In this age of computers, one has to be a expert in computer. In order to enhance the basic computer skills of our students, we imparted the MS office Training to the students of B. Tech 1 ST year.
Outcome of Program	Students learned how to use the computer effectively and create file and folders. They also learned how to work in MS Word and Excel. In order to be successful professional, basic knowledge on MS- Office is highly essential. The students got hands on experience by attending the lab sessions which gave them adequate time to practice whatever was theoretically taught in the classes.
Program Description	In this program total 218 no of students have enrolled their names. All the students are been divided into four groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.

Report on SOFTSKILL PROGRAM for 3rd Year and 4th Year students

Name of the Program	7Cs of Communication
Name of the Expert	Deepak Ranjan Satapathy
No of Days	8 Days
Date	02-02-2019
Venue	Language Lab
No of Students Attended	132
Objective of Program	<p>In order to enhance the efficacy of our students, we impart extra Language and Communication Skills classes in the state-of-the-art Communicative English Lab. The lab is equipped with Globa rena Language Software. For the 1st year students, we imparted 7Cs of Communication.</p> <p>Modules like Communication Skills, Soft Skills, Aptitude, Pre- Placement and Corporate Readiness etc. The training on language and communication skills is imparted by our In house faculty by taking a group of forty students. The students explore different modules and learn the theoretical aspects and practice the lessons individually and in groups. Exercises on Phonetics and Sounds of English and articulation with proper pronunciations are the main focus area. We lay more emphasis on the practical implementations so that students become more confident. These classes are conducted beyond the regular class hours.</p>
Outcome of Program	Students learn and practice the modules

	<p>by themselves but to help them learn effectively and with more confidence, one faculty trainer is entrusted to keep a vigil on the students, who helps them learn it with ease and confidence. A periodic test is taken by the neutral faculty to evaluate the performance of the students. Students are given feedback on their performances and suggestive measures are spelt out to improve upon their grey areas.</p>
<p>Program Description</p>	<p>In this program total 132 no of students have enrolled their names. All the students are been divided into two groups. Report on Yoga and Meditation for All students

Name of the Program	Yoga and Meditation
Name of the Expert	Debashis Nayak
No of Days	3 Days
Date	21,22 & 23 August,2018
Venue	Kalam Hall
No of Students Attended	198
Objective of Program	<p>For a completely healthy body function, both yoga and meditation are of great importance, practicing yoga can improve physical as well as mental health of an individual whereas meditation provides peace of mind and control over the body. All of these activities have been shown to help increase the body's relaxation response and to reduce the production of adrenaline that leads to anxiety. Through meditation and yoga, we tend to control adrenaline level as well as the stressors that cause it and can contribute directly to anxiety, nervousness and the distracting mental chatter that can build up when we are stressed out. We, at EATM provide regular classes for yoga and meditation. Yoga experts and comes from renowned Patanjali Yoga Samiti come to our college to impart the significance of leading a peaceful and healthy life. Every year our college also celebrates the International Yoga Day that falls on 21 June.</p>
Outcome of Program	<p>It control the following things 1.Balanced blood pressure</p>

	<p>2. Decreased absenteeism and Tardiness</p> <p>3. Improved interpersonal relationship</p> <p>4. Improves mental strength</p> <p>5. Moral ethics are increased</p>
Program Description	<p>In this program total 198 no of students have enrolled their names. The program has been organized for three days. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>

Report on ICT/COMPUTING SKILLS for 1ST YEAR

Name of the Program	MS-Office
Name of the Experts	Prof.Nilamani Samal,Prof Rekhanjali Sahoo
No of Days	8 Days
Date	21-01-2019
Venue	Computer Lab, EATM
No of Students Attended	244
Objective of Program	In this age of computers, one has to be a expert in computer. In order to enhance the basic computer skills of our students, we imparted the MS office Training to the students of B. Tech 1 st year.
Outcome of Program	Students learned how to use the computer effectively and create file and folders. They also learned how to work in MS Word and Excel. In order to be successful professional, basic knowledge on MS- Office is highly essential. The students got hands on experience by attending the lab sessions which gave them adequate time to practice whatever was theoretically taught in the classes.
Program Description	In this program total 244 no of students have enrolled their names. All the students are been divided into four groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.

Report on Android app design for 3rd Year students

Name of the Program	Android app design
Name of the Expert	Neelamani Samal
No of Days	8 Days
Date	20-01-2019
Venue	Computer Lab
No of Students Attended	141
Objective of Program	<p>Majority of the hand-held devices runs on the Android Operating System. Android operating system is open-size and customizable. Android Application development program aims at providing technical training on the concepts and programming methodologies used to develop various Android Applications. By participating in this program, students will learn to develop applications in the latest operating systems with practical implementation and begin managing your own applications like a professional at this workshop. This program will allow students to grasp the concepts of the complete mobile application development.</p>
Outcome of Program	<p>Some of the Outcomes which is been achieved by the students at the end of this program are:</p> <ul style="list-style-type: none">• Exposure to Android Application Development• Interactive Hands-on Lecture Sessions• Installing and configuring Android application development

	<p>tools.</p> <ul style="list-style-type: none"> • Design and develop user Interfaces for the Android platform. • Applying Java programming concepts to Android application development. • Good multimedia content to help students grasp the material easily
<p>Program Description</p>	<p>In this program total 141 no of students have enrolled their names. All the students are been divided into two groups. Each day two hours session has been taken by the resource person. The program was smoothly and successfully conducted by the coordinator. On the closing day the resource person has been felicitated by Principal Sir.</p>
