Report on Yoga and Meditation for All students

Name of the Program	Yoga and Meditation
Name of the Expert	Debashis Nayak
No of Days	3 Days
Date	21,22 & 23 June,2022
Venue	Lawn
No of Students Attended	212
Objective of Program	For a completely healthy body function, both yoga and meditation are of great importance, practicing yoga can improve physical as well as mental health of an individual whereas meditation provides peace of mind and control over the body. All of these activities have been shown to help increase the body's relaxation response and to reduce the production of adrenaline that leads to anxiety. Through meditation and yoga, we tend to control adrenaline level as well as the stressors that cause it and can contribute directly to anxiety, nervousness and the distracting mental chatter that can build up when we are stressed out. We, at EATM provide regular classes for yoga and meditation. Yoga experts and comes from renowned Patanjali Yoga Samiti come to our college to impart the significance of leading a peaceful and healthy life. Every year our college also celebrates the International Yoga Day that falls on 21 June.
Outcome of Program	It control the following things 1.Balanced blood pressure

Report on SOFTSKILL PROGRAM for 3rd Year and 4th Year students

Name of the Program	7Cs of Communication
Name of the Expert	Deepak Ranjan Satapathy
No of Days	8 Days
Date	05-02-2022
Venue	Language Lab
No of Students Attended	108
Objective of Program	In order to enhance the efficacy of our students, we impart extra Language and Communication Skills classes in the state-of-the-art Communicative English Lab. The lab is equipped with Globa rena Language Software. For the 1st year students, we imparted 7Cs of Communication. Modules like Communication Skills, Soft Skills, Aptitude, Pre- Placement and Corporate Readiness etc. The training on language and communication skills is imparted by our In house faculty by taking a group of forty students. The students explore different modules and learn the theoretical aspects and practice the lessons individually and in groups. Exercises on Phonetics and Sounds of English and articulation with proper pronunciations are the main focus area. We lay more emphasis on the practical implementations so that students become more confident. These classes are conducted beyond the regular class hours.
Outcome of Program	Students learn and practice the modules
