Sri Basanta Kumar Bisoi

Chairman, Einstein Group of Institutions

It fills me with great joy to discover that Einstein Academy of Technology and Management is set to unveil the College "Placement Brochure- 2024". EGI Placement Cell takes huge efforts & pride in maintaining a fantastic placement record every year as every graduate and post graduate leaves our institution with a happy face and a wonderful job. Over the years our

graduates and post graduates have received placements in some of the finest firms.

Placement Department create a comprehensive platform that provides students with access to a wide range of career development resources. It provide students with personalized career guidance that can help them identify their strengths, interests, and goals.It organize talks, training sessions, and workshops that help students acquire the necessary skills and knowledge to excel in their chosen fields.

I extend my heartfelt thanks for the success and acheivements of all Placement Department forputting all efforts in getting our students placed.

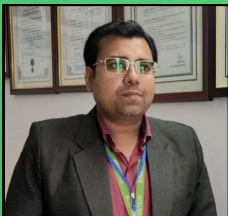

Sri Krushna Chandra Bisoi

Secretary, Einstein Group of Institutions

I am thrilled to learn that Einstein Academy of Technology & Management is gearing up to unveil this year's Edition of "Placement Brochure -2024".

The Placement Department works towards creating an environment that encourages students to think beyond the classroom and to develop the necessary skills to excel in their chosen fields. The Placement head along with its team members are committed to providing students with personalized career guidance, practical training, and relevant resources that can help them succeed in their careers. Placement Department provide continuuing support to students throughout their academic journey and beyond, ensuring they are well-prepared for their careers & offer a soft skills curriculum that helps students develop interpersonal, communication, and leadership skills. It also facilitates industrial certifications and training that can help students stand out in the job market.

I extend my heartfelt wishes for the resounding success of all placed students .

Prof. Sumit Kumar Choudhary

Training and Placement Head

As the Placement Head of Einstein Academy of Technology & Management, it gives me great pleasure to extend a warm welcome to all recruiters and industry partners.

Einstein Academy takes pride in nurturing talent and fostering a conducive environment for holistic learning and professional development. Our institution offers a diverse range of programs including B.Tech, Diploma, and MBA, each designed to equip students with the knowledge, skills, and competencies necessary to thrive in today's competitive landscape.

We understand the pivotal role that industry partnerships play in shaping the career trajectories of our students. Hence, we are committed to forging strong collaborations with esteemed organizations across various sectors to facilitate meaningful internship and placement opportunities.

Our Placement Cell serves as a bridge between academia and industry, orchestrating seamless recruitment processes and ensuring a mutually beneficial engagement for both students and recruiters. We endeavor to provide recruiters with access to top-tier talent who are not only academically proficient but also possess the creativity, adaptability, and problem-solving skills essential for success in the workplace.

At Einstein Academy, we believe in fostering long-term relationships with our industry partners, built on trust, integrity, and shared goals. We are dedicated to continuously enhancing our placement processes, aligning them with evolving industry trends and requirements, to ensure that our students are well-prepared to meet the demands of the ever-changing job market.

I invite recruiters and industry stakeholders to explore the talent pool at Einstein Academy and discover the potential of our students to drive innovation, growth, and excellence within your organizations.

Thank you for considering Einstein Academy of Technology & Management as your recruitment partner. We look forward to building fruitful collaborations and contributing to the success stories of both our students and your esteemed organization.

Mission

To grow into an ideal technical institution by imparting affordable, job-oriented, progressive and self-reliant education to all sections of the society, keeping abreast of the advancements in science and technology along with promotion of research activities to enable every individual to be successful in this technically competitive era.

Vision

- Imparting quality technical and professional education through student- centric and innovative teaching learning processes.
- Emphasizing, supporting and supplementing the scientific temperament of associates for the development of research activities.
- Providing unremitting efforts to create first-rate technocrats and entrepreneurs through dwindling the gap amid academia and industry.
- Providing financial and moral support to needy segments of the society in technical studies.
- Adapting and inculcating a strong set of ethical values among the budding technocrats.

TRAINING AND PLACEMENT

The vision is to Equip students with relevant and conceptualized professional skills and guiding them towards a bright future and career all around the world with the values of – ‘Sincerity’, ‘Hard Work’ and ‘Ethics’.

The objective is to guide students to choose right career and to give knowledge, skill, and aptitude and meet the manpower requirements of the Industry.

In connection to this it

- Assist students to develop/clarify their academic and career interests, and their short and long-term goals through individual counseling and group sessions
- Gathering information about job fairs and all relevant recruitment advertisements.
- Coordinating with companies to learn about their requirements and recruitment procedures
- Identifying the needs and expectations of the companies to assist them in recruiting most suitable candidates.
- Organizing pre-placement training/workshops/seminars for students.
- Arranging periodic meetings with Human Resources Department of companies and TPO's to promote recruitments.
- To assist students for industrial training at the end of the fourth and sixth semester.
- To provide resources and activities to facilitate the career planning process.
- To act as a link between students, alumni, and the employment community.
- To assist students in obtaining placement in reputed companies.
- Career Guidance:
 - Highlighting articles on departmental notice boards regarding Competitive & Industrial Career Opportunities.
 - Inform students about the available job opportunities in government sectors and off campus drives.
 - Arranging Motivational Talks.
 - Conducting Psychometric Test, Expectation Management Workshops, Conducting Personality Development Programs, Conducting Skill Imbibing Programs
- Training & Development:
 - Keeping in view the industry requirements, the training curriculum is designed for preparing the students for entry-level Graduate Engineer Trainees.
 - Personality Development
 - Communication Skills & Vocabulary
 - Resume Preparation & Email Writing
 - Group Discussion
 - Interview Skills
 - Aptitude Training & Practice Tests
- Placement:
 - The industry is always on the lookout for students who are vibrant, energetic individuals and ready to accept challenges, attentive, a good academic background, fast learners, open to learning even at work and more importantly, good communication skills. This activity focuses on the personality development to make the students reliable, with a positive attitude and right decision making.
 - Guiding for preparation.
 - Arranging mock Interviews.
 - Conducting weekly Aptitude tests
 - Communicating with Alumni for available openings.
 - Communicating with industry for campus interviews.
