## ABOUT THE INSTITUTE

**Einstein Academy of Technology And Management**, an esteemed institution dedicated to excellence engineering and management education. Our academy Approved by **AICTE, New Delhi India** Affiliated by **BPUT, SCTE & VT, Odisha** with ISO 9001-2015 certification and accredited by **NAAC-A & NBA**, is a premier degree engineering college under the auspices of Udayanath Educational & Charitable Trust, Bhubaneswar.

Nestled in the serene environs of Baniatangi, Khurda, our campus spans 25 acres of lush greenery and picturesque landscapes, offering a tranquil and inspiring atmosphere ideal for academic pursuits. Just a 25-kilometer scenic drive from Baramunda, the location provides an idyllic setting that enhances the learning experience.

Einstein Academy boasts an aesthetically designed edifice equipped with state-of-the-art infrastructure, providing an exceptional environment for both teaching and learning. Our dedicated and enthusiastic faculty members are committed to nurturing the minds of students, helping them achieve academic excellence and professional success.

## OUR MISSION

- Imparting quality technical and professional education through student-centric and innovative teaching learning processes.
- Emphasizing, supporting and supplementing the scientific temperament of Students for the development of research activities.
- Providing unremitting efforts to create first-rate technocrats and entrepreneurs through dwindling the gap amid academia and industry.
- Providing financial and moral support to needy segments of the society in technical studies.
- Adapting and inculcating a strong set of ethical values among the budding technocrats.

## OUR VISION

To grow into an ideal technical institution by imparting affordable, job-oriented, progressive and self-reliant education to all sections of the society, keeping abreast of the advancements in science and technology along with promotion of research activities to enable every individual to be successful in this technically competitive era.

# NAAC ACCREDITATION

---

NAAC accreditation is a prestigious quality assurance system in Indian higher education. **Our college, EATM, has been awarded NAAC 'A' Grade** rating, a recognition of our pursuit of excellence. The National Assessment and Accreditation Council (NAAC), an autonomous body of the University Grants Commission (UGC), evaluates and accredits Higher Education Institutions (HEIs) like colleges and universities based on key parameters such as curriculum, teaching excellence, research, student achievements, and infrastructure.

# NBA ACCREDITATION

---

**Our college proudly holds NBA accreditation for two branches Mechanical Engineering and Computer Science Engineering** showcasing our dedication to delivering top-quality, industry-relevant technical education. NBA accreditation signifies that a technical program or institution meets rigorous quality standards, ensuring relevance and promoting continuous improvement. The National Board of Accreditation (NBA), an independent body, evaluates technical education programs across India on parameters such as curriculum, teaching-learning processes, and outcomes.

# LIFE @EATM

The EATM campus blends modern infrastructure and a vibrant learning environment, featuring advanced labs, smart classrooms, and green surroundings – fostering innovation, research, and holistic student development.

**Fitness & Wellness**

**Smart Lab (Digital Learning & Innovation Hub)**

**Eco-Friendly Campus**

# OUR INDUSTRY ACADEMIA RELATIONSHIP

## Industry Visit Highlights & Experiences

**EATM** organizes monthly seminars to empower students with industry insights and career guidance. Topics include Alumni Connect, Entrepreneurship, Industry-Academia Connect, Technology & Social Innovation, and Women in Industry. These sessions provide valuable networking opportunities, real-world knowledge, and inspiration to shape future-ready professionals.

### Industry Academia Connect

Bridging Classrooms with Careers through Strong Industry Partnerships.

### Entrepreneurship

Inspiring ideas, nurturing leaders, and creating future-ready entrepreneurs.

### Alumni Connect

Where graduates return to inspire the next generation of achievers.

### Women in Industry

Creating opportunities for women to excel in diverse industrial fields.

### Technology and Social Innovation

Empowering society through creative technology and sustainable solutions.

# INDUSTRY EXPERT TALK

The Memorandum of Understanding (MoU) between **GauravGo Games Technologies Pvt. Ltd**, **Central Tool Room and Training Centre, Bajaj Finserv**, **THE UTKAL CHAMBER OF COMMERCE & INDUSTRY LIMITED**, and **Einstein Academy of Technology & Management (EATM)**. This MoU outlines our proposed collaboration to introduce and execute the Game Development & Management Training/Internship Program for 1st & 2nd year B.Tech and 1st year MBA and MCA students at EATM.

We are confident that this partnership will bring valuable industry exposure and skill development opportunities for the students.

## Campus Clubs Hub

# CLUBS @ EATM

EATM is where education truly meets passion, and where learning continues far beyond the four walls of a classroom. Our campus is thoughtfully designed with advanced laboratories, modern smart classrooms, a well-stocked library, and lush green surroundings, creating an inspiring atmosphere that encourages growth and creativity. Students here engage actively in vibrant clubs – innovating with technology in the Robotics Club, achieving discipline and excellence in the Sports & Fitness Club, driving sustainability through the Green Energy Club, and showcasing artistic expression in the Music Club. These platforms not only spark curiosity but also provide hands-on learning, teamwork, leadership opportunities, and real-world industry exposure. At EATM, we focus on nurturing knowledge, skills, and confidence, empowering students to explore their passions, unlock their potential, and step forward as innovators and leaders of tomorrow.
